

# National Registry of Food Safety Professionals

## Food Safety Manager Certification Examination

### Notification of Test Results

---

ID#: xxx-xx-  
Scaled Test Score: 95  
Examinee Status: Pass  
Test Date: February 24, 2020

The passing score on this exam is a scaled score of 75. A scaled score is a score based on the number of questions you answered correctly that has been converted to a standardized number. Failing Examinees should carefully review the diagnostic score report to determine areas that need improvement. This will provide a framework for preparing to retake the exam.

---
